

Hackney Circle Members Event: Photowalk with UrbanLens3

Urbanlens3 is running 5 photowalk session exclusively for Hackney Circle members! Don't miss out on these street photography session and a chance to screen your work at Shoreditch Town Hall.

About This Event

UrbanLens3 is a group of local artists who combine walking and photography in Hackney - seeing the everyday from a different perspective. For this series of walks we are partnering with Hackney Circle and Xenia and will hold a joint event showcasing the work made. You'll photograph the urban landscape in a new and unusual way, using a phone or camera. Walking with a fun supportive group enhances general wellbeing for both mind and body - particularly during the winter months.

The walks are social occasions where sharing artistic techniques and knowledge about the local area often leads to lively and friendly conversations. We are running this series of walks in the daytime between November and February, ending with a celebration screening event of participants work at Shoreditch
