

Framing Hackney: A Hackney Circle and Xenia Screening

Don't miss out on this one-off opportunity to see members of Hackney Circle and Xenia work screened at Shoreditch Town Hall

About This Event

UrbanLens3 invites you to a special screening at Shoreditch Town Hall on Saturday, May 10th! Join us to celebrate the photographic work of Hackney Circle members and Xenia women, who have been documenting Hackney over the past few months under the guidance of UrbanLens3 photographers Heather McDonough and Sacha Lehrfreund. This event offers a chance to view a curated selection of their images, socialise with fellow Hackney Circle members, meet new people, and support the creative work made by Hackney Circle members. You'll also have the opportunity to connect with the UrbanLens3 photographers and learn more about their work in Hackney. Refreshments will be available.
