

# Reimagining Hackney Archives!

Hackney Archives is embarking on an exciting journey to reimagine its space and services for residents! Join us to help the team develop plans to make the archives even more accessible, engaging, and relevant.

## About This Event

Come along to be a part of the conversation! This is your chance to share your thoughts and experiences with the Hackney Archives team and the visionary architects, Ya Ya & Roy. We want to hear from you about:

- \* **Your Experiences:** Tell us about your past visits to Hackney Archives – what worked well, and what could be even better?
- \* **Future Use:** How would you like to use the archives in the future? What kind of activities, exhibitions, or resources would you find most valuable?
- \* **Visiting:** How often do you currently visit the archives, and what might encourage you to come more often?
- \* **Understanding the Space:** Share your perspectives on the current layout and how you envision changes that would improve your experience and future use.
- \* **Hackney Circle Exhibition Feedback:** If you experienced the recent Hackney Circle exhibition within the archives, we'd love your feedback on the space itself
