

Hackney Herbal Open Afternoon

Hackney Herbal is opening their garden for another open afternoon event.

About This Event

Join us for our July open afternoon in the garden. It's a lovely time to come and hang out in the garden in all its high summer glory. We will have our selection of herbal teas and cake for sale. There will also be a selection of plants available for purchase on the day as well as our herbal tea packs, pamphlets and journals. There will be a drop-in Cyanotype/ Sun-printing Workshop between 3-4pm provided that the sun is out and shining. We are also going to run a Plant Swap as part of the event.

Accessibility Information

This event will take place outdoors.
