

New Age Games: Chair-based activity

Hackney New Age Games proudly presents their 2025 - 2026 programme. Come along to take part in a fun mood-boosting activity with local residents aged 50+.

About This Event

Keep active by taking part in this gentle chair-based exercise class at The Salvation Army, Clapton. This session is for all abilities.

New Age Games helps residents to increase and sustain exercise to recommended levels. Important: To be eligible to attend the scheme, users must be a Hackney resident aged 50+.

Every effort will be made to accommodate attendees, but we base places on a first come, first served basis on the day of each event. This is reflected within our guidance on our webpage.

No sessions held from 7 December 2025 - 18 January 2026.
