

Walks of Interest: Millfields Park Ecological Walk

Regular walks exploring the local area, meeting people and reaping the benefits of being active.

About This Event

Join Cassandra, Hackney Council's Biodiversity Officer, for a stroll through the beautiful Millfields Park. Come and find out more about the wonders of nature and the work being done to protect and support the ecology of the park.

Walks of Interest are moderately paced walks up 2 hours in duration and incorporate periods of standing.

Sessions must be booked in advance and we do not accept same-day bookings. Waiting lists will be created as if needed. Priority is given to Hackney residents or those registered to a Hackney based GP surgery.
