

Classic Matinee: Remains of the Day

The historic Rio cinema has an incredible offer to view their current film "Remains for the day" for just £2.50!

About This Event

Enjoy a tea or coffee before or after the film and have a chat with other viewers and the wonderful Rio cinema staff. This November, revisit the quiet power of REMAINS FOR THE DAY (1993), a poignant drama featuring utterly masterful performances from Anthony Hopkins and Emma Thompson. Set against the backdrop of a grand English estate between the wars, the film follows a devoted butler whose loyalty to duty comes at a personal cost. As he reflects on missed chances and unspoken feelings, this elegantly crafted story explores themes of dignity, regret, and the passage of time. You can book online or pay on the day.
