

# New Age Games: Tennis at Hackney Downs Park

Hackney New Age Games proudly presents their 2025 - 2026 programme. Come along to take part in a fun mood-boosting activity with local residents aged 50+.

## About This Event

Practice your serving skills at this friendly tennis session. This session is for all abilities.

New Age Games helps residents to increase and sustain exercise to recommended levels. Important: To be eligible to attend the scheme, users must be a Hackney resident aged 50+.

Every effort will be made to accommodate attendees, but we base places on a first come, first served basis on the day of each event. This is reflected within our guidance on our webpage.

There will be no tennis sessions on Friday 20th February 2026.

## Accessibility Information

To register visit: <https://hackney.gov.uk/new-age-games>.
