

Verte's Clothes Swap

Hackney Circle members are invited to Verte's Clothes Swap! Come along and swap your pre-loved clothes for something new-to-you!

About This Event

The Council's Climate Team is proud to support Verte's Clothes Swap at Hackney Bridge this month! Residents can bring up to 5 pre-loved items to swap with new-to-them items. Swapping pre-loved clothes is a fantastic way to refresh a wardrobe for free while protecting our environment. Hackney Circle members are being offered free tokens which will allow you to exchange a token for an item of clothing. If you would like to take up this opportunity, please email rachel.parks@hackney.gov.uk before Friday 23rd January 2026.
