

Get Into Dance Festival 2026

Celebrate the energy, creativity and diversity of East London with this joyful showcase.

About This Event

Get into Dance shines a spotlight on the power of dance to bring people together, improve wellbeing and celebrate identity.

Regular dance classes in community centres across Islington and East London provide free opportunities for our local communities to move, express, and connect. This festival is where it all comes together. Featuring an inspiring line-up of performances and workshops, this is a celebration of the people and communities we work with year-round. What's more, you will also see Hackney Circle Djembe Rhythms Drumming group perform!
