

# Hackney Carnival 2024

Celebrate the spirit of Hackney Carnival

## About This Event

After a five year absence Hackney Carnival goes back to its roots on Sunday 22 September 2024 with a family-focused parade celebrating the borough's diverse communities and creative talents. Returning artistic director Pax Nindi will lead the famous street parade featuring Hackney's loyal legacy carnival groups that residents know and love. The daytime event will showcase eye-catching floats and vibrant colourful costumes that celebrate the diversity of carnival culture. Work is now underway to create a thrilling line-up for the day as well as creating opportunities for young people and their families to get involved in the summer workshops across the borough.
