

Sadler's Socials ft Pembury Community Centre

This is the ultimate social experience that moves to a new beat every quarter! Whether you're a dance enthusiast or just looking for a good time, Sadler's Socials is your passport to a world of rhythm and joy.

About This Event

Meet new friends, catch up with old ones, and share unforgettable moments in a warm and welcoming atmosphere. Each Social has been co-organised by a community partner and is inspired by our artistic programme, which gives you a tantalizing taste of the excitement waiting for you at Sadler's Wells East, our upcoming destination for world-class Dance. This month we are proud to be working with Julene Robinson and the Pembury Community Centre and their over 50s dance group. **Booking is required.**
